Article 4.5. ORGANIZERS OF EVENTS

4.5.1 Each participating club is the organizer of all its home matches on the basis of these Regulations and under the supervision and guarantee of the respective National Federation .

4.5.2 FINAL FOUR

Priority for organizing of final four are for the club with the highest ranking according the results of Main tournament. Club interested in organizing of Final Four shall apply by writing letter to concerned National Federation at latest **next day** after the Main Tournament is finished, i.e. till **20 February 2012**. The duly completed letter shall be returned before the deadline set out by the concerned Federation and Schenker League office.

Final decision about place of FF competitions will be defined according to the decision of Schenker League Jury. In case no candidate applies to organize FF competition, organizer of FF will be decided by separate decision of Schenker League Jury.

Article 4.6. ALLOCATION OF POINTS AND CLASSIFICATION

4.6.1. The following rule to determine the winning team will be applied:

Winning match with result 3:0, for winner 3 points, for loser 0 points

Winning match with result 3:1, for winner 3 points, for loser 0 points

Winning match with result 3:2, for winner 2 points, for loser 1 point

For any team refusing to play a match or not appearing at a match first time, a match will be accounted for as lost by 0-3 (0-25; 0-25; 0-25) by the team concerned, in case team refusing second time, it shall be excluded from the rest of the Schenker League competitions. The results obtained up to the moment of its exclusion shall be cancelled. This will be sanctioned as a withdrawal by forfeit from a financial and sports point.

4.6.2. In case of equality in the number of points gained by two or several teams, they will be classified in descending order by the winning and losing matches, set quotient resulting from the division of the number of all sets won by the number of all sets lost in Main tournament. If the tie persists, as per the set quotient, they will be classified in descending order by the set points quotient resulting from the division of all set points scored by the total of set points lost during all sets. If the tie continues, as per the sets points' quotient, the teams are decided between by the result of the match (es), which the teams have disputed between them.

ARTICLE 5 .TEAM UNIFORMS

Article 5.1 PLAYERS' EQUIPMENT

5.1.1 Team Equipment (Jerseys, shorts, shoes and warming-up suits) must comply with the Schenker League Club Teams Equipment Standards. Each team must have 2 [TWO] sets of uniforms, each one of a different colour numbered from 1-18. It is allowed to use special Sponsors' numbers, given to players. In this case concerned team has to bring to each match substitution plate with concerned number and give it to organizers'

representative.

5.1.2 The number of publicities on the jerseys, shorts and warming-up suits is unlimited as far as they don't interfere with the place and visibility of the numbering and the player's name. The publicity on players jerseys can be different. The libero uniform(s) must be different colour or style from the teams uniform and might display different publicity than all other team players.

5.1.3 The Schenker League Club Team Equipment Standards are:

JERSEYS:

The uniform jersey shall have an athletic look. All players of the same team must wear the same colour and style. The Libero Player(s) must wear an uniform whose jersey must be of a clearly different colour from the other members of the team. The Libero uniform may have a different design and could be numbered different the rest of the team.

- Sleeves: Athletic type non-sleeves or short sleeves are allowed. Long sleeves (exceeding elbow height) are not allowed.
- Body fit: Jerseys must not be loose or baggy and should follow the bodyline.
- No numbers are allowed on the sleeves.
- The player's family name or nick-name on the back, must be centred, right below the collar. Players' name on the jerseys is recommended.
- Publicities can be placed free on the front and back part of the shirts.

SHORTS:

The uniform shorts shall have an athletic look. All players of the same team must wear the same colour and style. It is recommended that the Libero wears shorts of a contrasting colour to the rest of the team.

IN CASE OF CLASH WITH THE CHOICE OF THE UNIFORM COLOURS, THE HOME TEAM WILL ALWAYS DECIDE ABOUT THE COLOUR TO WEAR DURING THE GAME. HOME TEAM IS ALWAYS RESPONSIBLE FOR NON CONSIDERED OF CONCERNED RULE.

SHOES:

Shoes and trademarks may be differ in design. Basic colours should be similar. Players cannot choose to wear shoes which colours have black marking soles.

WARMING-UP SUITS:

When warming up suits are worn in the warm up courts or in the competition control area, they must be of the same colour and style for the entire team and when worn by team officials.

Article 5.2. OFFICIALS' UNIFORMS

During the matches for the head coach, the assistant coach, doctor and physiotherapist/trainer are recommended to be dressed similarly.

ARTICLE 6. CASES NOT FORESEEN

All cases not provided for by the current regulations shall be settled by the Jury of Schenker League.

In case of injury, the hosting club has to provide assistance with the transportation to the Hospital. In case of an injury or serious illness, the player or his club will be responsible for covering of all concerned expenses.

Article 1.3 MEDICAL CARE

For each team, including all athletes and officials registered on the Schenker League Collective licence form it is advised to have the medical insurance.

In case of accident or sickness abroad within the scope of the Schenker League competition (including the journey from the home to competition venue and back of all persons) the assistance and medical expenses costs, as well as the repatriation if needed, are covered by the concerned insurance company or by each participant himself.

The Organizers of Schenker League are not responsible for any medical expenses incurred while competing in the Schenker League.

ARTICLE 2. DOPING CONTROL

Article 2.1. BY NON SCHENKER LEAGUE-BODIES

The hosting club has to accept the doping control, which is based on the World Anti-doping Code or the National Law of the organizing country. Such doping control has to be accepted without limit in any round of the competition.

Article 2.2. SANCTIONS AFTER THE END OF THE COMPETITION

If one player is controlled positive:

- this anti-doping rule violation leads to the disqualification of the athlete's individual results obtained with all consequences for the athlete, including forfeiture of his medal and prize,
- the period of ineligibility for the violation of the anti-doping rules (suspension) shall be according to FIVB/CEV Medical Regulations,
- The team itself will not be affected by this individual sanction and its ranking will remain unchanged.

If two or more players are controlled positive:

- these anti-doping rule violations lead to the disqualification of the athlete's individual results obtained with all consequences for the athlete, including forfeiture of his medal and prize.
- the period of ineligibility for the violation of the anti-doping rules (suspension) shall be according to FIVB /CEV Medical Regulations
- all the players of the team will lose their medals and prizes
- the team will be disqualified and its results will therefore not be taken into consideration for the general ranking of the competition, thus affecting the ranking of other teams according to the following system:
 - o If the team incriminated was 1st, the runner-up (2nd) will automatically be declared winner of the competition,
 - o If the team incriminated was 2nd, the 3rd ranked team will be the 2nd.
 - o If the team incriminated was 3rd, the 4th ranked will be the 3rd.
 - o Etc.

The National Federations are asked to fully respect the decision and the sanctions applied, and any player suspension will also be valid at the national level meaning that the player will not be eligible for participation in any national competition or club competition for the sanctioned period.
